
All Charities and Not-for-Profits were challenged by the Recession. NOW is the time to turn the page to

Build Your Future

- **Position your Organization to meet Community Needs**

Reality Check: one-hour wake-up call to motivate your organization to engage the New Economy. (No-fee service for Victoria area Charities.)

- **Brainstorm with the Board/Staff/Volunteers**

Three-hour workshop to redefine the Mission Statement and then identify and take advantage of the new opportunities for the Charity.

- **Plan with your Management Team**

Day with the Devil's Advocate: Review your Strategic Plan to deliver your Mission in challenging times. This program takes your selected Team members through preparation and a one-day intensive strategy session. We provide a full written follow-up Report.

- **Deliver your Strategic Plan**

We help train your team to build the capacity of each element of your Plan to deliver results and outcomes on time and on budget.

- **Communicate your Message**

The success of your Plan depends upon your marketing skill in communicating to your supporters and potential funders. We help you deliver the appropriate message through program packaging and presentation, electronic and print newsletters, media relations and direct contact with your community.

- **Raise the Funds**

We help you evaluate new and traditional funding activities and establish a trend-line to maximize your return on investment. The program is based upon interviews and confidential access to financial history and projections.

- **Charitable Status**

We assist Not-for-Profits who are considering becoming a registered charity through an in-depth review to assess the status best suited to serve its existing and prospective clients.
