## Strategic Planning

### Building an expanding organization

#### ○ Envision your future now

Rediscover the vision and focus of your organization through an interactive session with your people to redevelop your organization's mission and spirit.

#### ○ Brainstorming

To set out a clear vision to motivate and inspire your people, this session will identify the elements of your comprehensive plan.

#### ○ Develop your strategic plan

— for input and review by key stakeholders to test the feasibility of your principal strategies and their expected outcomes.

#### ○ Present your strategic plan

— for adoption and implementation by all stakeholders.
